Arno Bay Today

December 2020

Issue 4

President's Report

Xmas is upon us already and what a year we have had. I guess the harvest was a little better than last year and the year before that, but I believe weather goes in cycles, so let's hope the dry cycle is now over and we can look forward to some more average to above years ahead.

Covid is still throwing some curve balls at us with the recent Circuit Breaker and close down but fortunately it was only for a short time. But I would like to ask everyone to adhere to COVID restrictions that are applied, as even though we have not had any cases within our districts, it will only take one infected person to completely shut us all down. So with summer coming up, parties with family and friends, please make conscious decisions about social distancing and washing of hands etc. I for one would hate to be "THE PERSON" who brought this disease into our community. There is far too much at stake and we have no idea of who or where some people were 12-24 hours ago. Hopefully we get access to a vaccine shortly but in the meantime, just do the right thing for us all.

The proposed fuel station is still moving along slowly. The issue is the land use, and we are waiting for some Government meetings to conclude and hopefully this will result in a positive answer. The project has full backing of Cleve District Council, and also the Regional Development Board, so with the help of these organisations, I am hopeful that we will get there.

By the time you read this we will probably all have been to the IGA store being reopened By Jackie and Craig Couzner. I cannot wish them all the best enough and I hope that as a community we all support their endeavours. It's a big move by them and a commitment to Arno Bay, fantastic to see, so let's get behind them. Remember, every dollar spent locally, stays locally, that means jobs for your kids, which has flow on to sports numbers and the whole viability of our community. It's a no brainer.

The Cleve Hospital Auxiliary has just been awarded a grant for some money so they are able to put it toward the purchase of a bus for the Crestview residents. This project is close to my heart, as having loved ones in the past having to reside in Crestview, the biggest downfall to their independence is the feeling of being in some kind of jail. Not being able to get out of the four walls and seeing the community which they helped form. The bus will give them more access to the outside world thus relieving some of their anxiety. It is a great facility with caring staff within our community that needs our support. Now the grant is a start but they will need more money to get this bus so if anyone can help with some donations, either contact the Hospital Auxiliary or have a chat with myself. I already have a couple of people willing to donate some money, as they know only too well that we would not have our community if it were not for those who went before us. Lord knows, we may end up in Crestview ourselves and need it ourselves one day.

During the Xmas holidays, look after yourself and one another. Keep an eye on your mates and make sure they are going OK. There has been and still is some great pressure on people, so remember what the holiday season is for. Giving and caring

I hope to catch up with everyone over the course of time and enjoy a beer with you.

Cheers

David Frick

Arno Bay Community Church

The highlight of the last few months was a limited number of relatives and friends of Hayden and Rhiannon Preiss having the church getting near the Covid-19 capacity current at the time for a postponed infant baptism (pictured below). Former church members and great aunt, Nola Pearce, led the worship with husband Dean, a retired minister, conducting the baptism of Rosalie Lynne then giving a short, challenging sermon.

A month later when Nola returned to catch up with more relatives, she led the whole service and was very pleasantly surprised when a close Cleve Area School friend walked in. Junesse and husband Dennis Chapman were former Kimba farmers and had left Canberra as soon as it was possible to visit S.A.

The farewell service for Pastor Brenton and Chris Smith was held in the Franklin Harbour Institute with people seated at tables where they were also served refreshments afterwards. Pastor Brenton and Chris were thanked for their service in what have been quite tumultuous times in the church.

Now that we have finished seeing Brenton's series of sermons on the letter of James, we have returned to mainly using partial content from the Morialta Uniting Church at Magill as they 'seem to scratch us where we itch' or excellent messages only from 'A Sermon for Every Sunday' combined with local content.

A combination of harvest and the latest corona virus outbreak has held up moves for replacement ministry.

Plans are still progressing for the annual Carols by the Sea on the last Sunday before Christmas. Hopefully, it will go ahead similarly to before OR else in some other way with the safety of participants being paramount. Covid-19 Safe rules will apply. Rev. Dean Brine of Kimba has kindly agreed to give a Christmas message

Singing carols in the Super Shed commenced in 1978. Before this it was much more adventurous with the pedal powered reed organ loaded on to a 15' x 8' tray top truck that had the normal harvest grain bin removed for the night. Singers climbed up a ladder and sat on seats/pews along the middle and travelled the rough dirt roads to the houses people were known to be living in and sang one or two carols at each stop. The organist often had to cope with seeing by torch light and wind blowing the music around. In the days of the less accurate Marconi moisture meter for grain and at a much lower maximum of 11.5% for wheat, harvest regularly went on into January along the coast so later a spare tray-top semi-trailer had much more room and was easier to organise.

World news is constantly giving evidence of the benefits of living in harmony with the rules of God / nature and the contrast of not doing so. Where mankind foolishly believes the earth revolves around man and his short-sighted wants people inevitably suffer the consequences. Both responsible Australian leadership and community action has been able to manage the spread of a highly infectious disease with the contrast of so many countries where it is running rife and multitudes dying unnecessarily.

What is even more remarkable is that researchers have been able to quickly discover how the rules of God / nature apply then go on to find very promising ways of vaccinating against it. It is worth acknowledging that researchers do not invent solutions but just discover ways that have always existed but just haven't been known. In a world that can easily be seen as full of doom and gloom it is very encouraging that many Governments are indicating the desire to work together for world-wide distribution of a successful vaccine. With our wide-open spaces, it is hard for many to grasp that planet Earth is actually quite a small place and we are all in it together.

The Christmas Day service is planned for 9:00 a.m. where we annually celebrate the birth of a man who both brought and still brings hope into the world.

Emmanuel! = God is with us!

Arno Bay Worship

We are non-Denominational All Age Worship. Meeting on Sundays, 10 am at the Super Shed or gazebo.:

'A child is born to us! A son is given to us!

'And he will be our ruler, He will be called Wonderful Counsellor, Mighty God, Eternal Father, Prince of Peace' *Isaiah 9:6 GNB*

Great fellowship! Everyone welcome. Please BYO chair. Covid restrictions apply

Arno Bay Bowls Club

What a topsy-turvy year! We were not completely certain we would start our pennant season in October as we have in previous years, but YAY we could! The new ladies and disabled toilet/baby change rooms were almost completed, and Brad completed the disabled toilet so we could use that one until the final materials arrived and both rooms were fully completed. What a wonderful addition to our building and we thank the Cleve Council for supporting us in our application and the Federal Government for the funding to enable our club and the CWA to have such an up-to-date amenity. Association Opening Day was held at host team Port Neill's recently painted and spruced-up club. It looks great. We took two teams of four down to play and were reminded of new protocols in place due to covid 19: distancing, sanitizing, hand washing, no hand shakes, covid marshals, no complimentary water or cuppa, no yummy afternoon tea supplied. But if this can help keep us safely away from Rona it will be worthwhile. We have filled our sides each week, both Wednesday and Saturday, sometimes needing to call on subs and we also welcome our new players to the club. This year we are starting play slightly earlier to hopefully finish earlier, which most seem in favour of. We started pennants after the October long weekend, but are in limbo again with the outbreaks in Adelaide. The ladder has been amended to accommodate the covid lockdown. Saturday's team is towards the bottom of the ladder, coming in at 8th with 1 win. Wednesday has also had one win, sitting 4th which is still in the four. Some of our ladies sub for Port Neill on Thursday and that team is 3rd having one win also. Look out when we are able to get playing again, I reckon we will be on fire, coming out with all guns blazing, ready to march up the ladder!!
We held our club opening towards the end of October on a stormy evening. There was a great crowd who enjoyed a sausage sizzle tea and 2two games of four ends. First Vice-President, Peter Rehn welcomed everyone as Greg was unable to be there. The spider was won by Tony Zwar who collected $50 for his nicely rolled bowl. Well done Tony. As we went out to start our first game it simply bucketed down! After waiting a few minutes, play started and plenty of laughs and good mateship was evident. Rain held off and both games were played. Thanks to everyone for coming along and supporting our club and a big thanks to members for your help in running the evening. Nothing happens without your support. And thankyou to all who helped keep the opening night banner up in the windy conditions we had at that time.
The green is looking great and bowls are rolling well, thanks to greenkeeper Gary and helpers. Kate has the bar well stocked, not much for Jude to do in the kitchen yet - no Christmas dinner this year, bummer, was a beaut meal last year. The committee hope to hold the business mini three-week tournament again in February and they are also hopeful of a short three-night tournament in January. Both will be promoted via Arno Bay buy-swap-sell on facebook and our Arno Bay District Bowling Club facebook page too. Thursday night bowls should start soon; keep an eye out for the blue A-frame notice board out the front.
Les, Olly, Gary and Laurie were selected in the Association side that played in Cummins recently. No wins for them, but I am sure they had tough competition and gained skills from the experience. From this Olly has been selected to represent EP and play in Port Augusta on December 20th. Well done and good luck Olly.
Ally is unable to play for us this season due to other commitments. She is still playing at state level in the Heyson Comets side, has been playing in the reserves team, winning one game, and I quote from her - "tough competition but well worth playing". Good luck Ally and we hope you can join us again next year.
Since the covid outbreak in Adelaide and the resulting lockdown, we are unable to currently play competition bowls, but I had an email today (24/11/2020) to say we are now permitted to have ten on the green for practise only, no competition matches. Hoping this is soon replaced with "get back out there and play!!!".
You are all welcome to come check out the new loos, have a coldie and join us once the club is open, hope to see you then, Yvonne

Ports Football and Netball Club

Back in October SANFL met with Footy League Officials and Netball Association Presidents from Eastern Eyre, Mid West, Great Flinders and Far West. This was to continue on with discussions about the future of Football/Netball on EP and how to make is sustainable. They proposed the Far West and Mid West Leagues merge together, Eastern Eyre merge with Great Flinders and Port Lincoln and Whyalla to resume as they are.
Following on from the meeting each club was asked to complete a feedback form showing how they would like to move forward in terms of league structure for 2021 and beyond.
To answer their questions accurately Ports Central Management Committee comprised a survey to ask all members what their thoughts were going forward. A mixture of survey participants included Players, Parents and Supporters of both Football and Netball. The results showed that a strong majority (90%) of members would support a merger with Great Flinders. And 65% of them willing to support the merger starting in 2021.
Unfortunately, a merger will not go ahead for the 2021 Season and Eastern Eyre will continue as is. SANFL will continue to work with EP leagues to hopefully come up with a new competition format for 2022.
Ports' survey has given the Management committee a clearer direction from its members leading into the future. It has also provided lots of valuable responses and comments which they hope to address going forward.

Arno Bay New Years Day

A 'Trick or Treat' Halloween trail was organised on October 31st with over 200 tickets sold and people travelling from as far away as Port Lincoln and Whyalla to attend.

What an amazing community we live in and what a fun night! Massive thank you to our Trick or Treat stops; we wouldn't be able to run the event successfully without your help and the effort you go to: Wendy and Neil Ramsey, Leanne and Ray Jacobs, Barb and Grahame Parsons, Sandy and Gavin Donnellon, Ian and Diane Yendell, Yvonne Calliss, Erin Calliss, Stacy Michael and families, Jackie and Mark Hold, Sue and Mark Edwards, Trish and Peter Darling, Jock and Shirley Duncan, Wilma and Les Harding, Lyn and Neil Wickstein, Susy and Graeme Gurney, Jazzy and Ricky Couzner, Arno Bay Jetty Café, Arno Bay Friendly Grocer, Alana Allisaon and Jarrod McWhinney, Arno Bay Foreshore Tourist Park, Judith and Gavin Rehn, Yvonne Britza and Terry Haines. Thank you also to Pont and Mandy Elson for donating the sausage sizzle and to Pont and Jimmy for cooking, to Hotel Arno Social Club for donation their BBQ trailer, Steve from the Caravan Park for the ice and coffee machine and Rodney Elson for donating chocolate. To everyone who bought tickets and participated, THANK YOU! See you next year.

Unfortunately we have had to make the hard decision to call off the New Years Day Celebrations for 2021 due to the difficulty in meeting the Covid restrictions for large events. We want to thank all Sponsors, volunteers and attendees over the years and look forward to seeing everyone again for New Years Day 2022.

The Arno Bay New Years Day Committee

Clockwise from top left: Erin and Jeremy Calliss "have you seen my dog?"; ABNYD Committee members: Prue Stringer, Brooke Ramsey, Daniel Hutchins (I think), Kate Maguire, Amanda Haines; the Michael/Minion family, back Brad and Stacy and front L to R Courtney, Chelsea and Tate; Lorna Lush and related zombies; Sue Edwards—I wouldn't take that if I were you little girl!

Arno Bay War Memorial Hall

Trish Ranger recently braved the elements to sit outside the Post Office for our annual membership drive. We give a big thank you not only to Trish, but also to all those who supported the Hall by paying their membership fee on the day.

Members of the Hall Committee have been very busy planning for this year's Christmas Craft Fair which was held on Sunday, November 29th from 9am - 2pm. Due to Covid restrictions fluctuating from one day to the next, the Fair became an on again/off again event for a while but finally it was decided to continue on with some modifications.

Attendance was at Covid capacity which was great, Santa was there to take Christmas orders from all the children, and lots of cleverly constructed balloon animals were being made to also delight the younger fair-goers along with a colouring competition which was a new event this year. For the Mums and Dads there were an abundance of wonderful craft stalls from which to purchase some early Christmas presents for friends, family or perhaps even themselves! An ever-popular sausage sizzle was on offer along with other food and drink options.

This year's raffle offered not one, but eight great prizes, all of which were donated by some very generous and much appreciated members of our community. The first prize of a sumptuous home-made Christmas cake was donated by Ally Baldock and won by Rosemary Hauschild. Thanks so much Ally and congratulations Rosemary!

The few adjustments which were put in place to keep everyone Covid-safe were well accepted by all who attended and overall the day was seen to be a great success by committee members, volunteers, stallholders and patrons alike. And at this point I would like to offer a huge thankyou to all our fabulous helpers who came along and gave their time and efforts to help make the day a success. We couldn't have done it without you!

The final event being held in the Hall for 2020 will be Ballroom Vision's annual "Christmas Weekend at the Bay" on the 4th, 5th and 6th December. Peter and Judy Wickham host this 3 day Ballroom and Latin dancing event on both Friday and Saturday night as well as Sunday afternoon. This weekend attracts dancers from Coffin Bay, Port Lincoln, Tumby Bay/Lipson, Pt Neill, Arno Bay and surrounding districts, Cowell, Whyalla as well as Port Pirie and Adelaide. Everyone is welcome whether you can dance or not as it's a great social night where you can watch the non-stop dancing and listen to great music including some of your favourite Christmas tracks. If you would like more information or would like to come along and join in the fun (or would like to book some dance classes ready for next year's Christmas weekend!!) please ring me (Judy) on 0418 846 569 and reserve a place as we have a Covid capacity limit and need to be aware of numbers, thank you.

On behalf of the Hall Committee I would like to wish all members of our community a wonderful Christmas and hope that 2021 provides us with a safe, healthy and less-complicated life than has been experienced in the recent past! Remember to keep smiling and count the blessings we have. Merry Christmas! Judy Wickham, Secretary

Birth/Death Notice: Ember Darling-Haines

Ember Darling-Haines. Born 03 December at 4.55 am at Flinders Medical Centre. Passed away 03 December at 8 am from a rare heart condition. Daughter of Tia Haines and Anthony Darling. Fought bravely for the little time she had on earth with us.

RIP little angel.

A graveside Funeral will be held at Arno Bay on Monday 14th December at 1 pm.

Arno Bay Supermarket: Re-opening Soon

The last couple of months have been a whirlwind of activity at the supermarket and we are almost ready to open our doors. The shelves are filling up fast and we are looking forward to opening the doors this Friday the 11th of December. There will be a complimentary biscuit for the first 50 customers. Please keep an eye on our social media page for further information about the opening day in case of any changes that may occur.

There is no way we could have made it this far without the help and experience of our family and friends and all the advice from Jenny and Allen. We are so thankful to you all.

We have been overwhelmed by your good wishes and excitement for our new venture and look forward to you visiting us soon.

Craig, Jacqui & Family

Meet our Team: Craig, Jacqui, Jordan, Ky, Sophia and Madison

Arno Bay CWA

Here we are with Christmas on our doorstep. I am finding it very difficult to find the enthusiasm to prepare for the festive season. Like everything else this year, Arno Bay SACWA has been influenced by the COVID-19 virus which has spread rapidly throughout the world. All our International, National, Group as well as branch events have been cancelled. Fundraising has been dealt a huge blow.

Luckily we were able to celebrate Delma McCallum's 90th birthday in August with a special afternoon tea at the bowls club. This was a wonderful occasion and a great chance to catch up with friends and relatives.

This year our country of study has been Poland and our November meeting was to share what we had learnt. We shared a delicious lunch with members contributing Polish food. Susy Gurney as hostess had set our table in Polish colours and over lunch we discussed interesting facts which we had researched. Susy then showed a project which she had prepared. All in all it was a very successful and enjoyable day.

I think the events of 2020 have made us all take stock of our lives and we have learnt to appreciate what we have and realise what is most important to us, namely family. Some of our members have lost loved ones throughout the year whilst others have welcomed new ones into their family. I have also observed many old skills being introduced to the younger generation as in cooking and craftwork and I myself have spent many hours with my grandchildren, with them teaching me as much as I have taught them.

I would like to share with readers ,a recipe that my grand daughter Anabelle has perfected. Together we have made many batches of these biscuits and have had lots of fun doing so.

<u>Christmas Melting Moments</u>

BISCUITS

175g unsalted butter softened

75g icing sugar

175g plain flour

50g custard powder

1/2 teaspoons vanilla extract

FILLING

200g icing sugar

90g unsalted butter

1 tspn boiling water

1/4 tspn vanilla extract

METHOD

Preheat oven to 180/160 fan forced

Beat butter and icing sugar until creamy. Add flour, custard powder and vanilla. Beat until dough comes together. Roll dough into balls, arrange on tray leaving a few cms between each. Press down lightly with the back of a floured fork. Bake 10-12 minutes until slightly golden around edges. Allow to cool on tray for 10minutes.

For the filling, beat icing sugar and butter until creamy. Add boiling water and vanilla , beat 2 minutes.

Sandwich biscuits together with filling and roll edges in sprinkles.

Resist them if you can

As a fundraiser for our branch, hand made Christmas decorations can be purchased from the Arno Bay Jetty Cafe.

Our president, Mary Edwards, extends to everyone on behalf of all our members, best wishes for the festive season and prayers for a happier and safer 2021.

Out and About Around the Bay

During the recent hard lockdown, around 200 local sheep failed to comply with the restrictions and were witnessed strolling past the Pub (it was closed otherwise they may have gone no further) and Jetty Café towards the jetty. Having crossed the highway sometime during the night, they were lucky that everyone else was complying with the 'stay at home' message and there was no traffic on the road.

The mob then split, with some remaining in the swamp behind the oval and the more adventurous heading on into town. By the time the owners had been notified, at around 8 am, there were sheep everywhere, including on the beach where the owner had to abandon shoes and motorbike to pursue them on foot as they swam across the creek and headed towards Cleansesas. Family reinforcements dealt with the swamp dwellers while he and the dog dealt with the creek crossers, eventually returning home via the Cleanseas track and arriving at 4 pm, where one of them received a juicy bone and the other first aid to his splinter filled feet.

The runaway mob at the creek mouth

Arno Bay School Leavers: Class of 2020

Cooper Llewelyn is enjoying being home after a very disrupted year and is hoping to start studying Primary School Teaching and doing some coaching at Norwood in 2021.

Hayden Bennett also graduated this year.

Amyiah Johnson likes working with elderly people and will be studying a Certificate III in Aged Care

Ben Turner will be doing a Carpentry/Building Apprenticeship with Lienert Constructions

Please let Judith Rehn know of anything happening around the town for 'Out and About Around the Bay': weddings, births, parties, special anniversaries, graduations, kids birthdays, special events, functions, etc.. martindalehill@hotmail.com. Due date for the March 2021 edition is February 25.

Community Gym Survey

The ABCSA is seeking information on the level of community support for a Community Gym in Arno Bay. This will help us to plan the space and services required and support grant applications. The survey is also available on Survey Monkey if you would prefer to submit it online so keep an eye out on our Facebook page for it. Due date: 20/12/20. Return completed survey to Arno Bay Post Office or email to arnobaysport@outlook.com. Thank you for your support.

Do you support a Community Gym being built in Arno Bay: YES NO

Gender: MALE FEMALE

Age range: 18-25 26-35 36-45 46-55 56-65 66-75 over 75

Postcode: ___ ___ ___ ___

Are you currently getting the recommended amount of exercise? YES NO
(For reference, the Australian Department of Health recommends that 18-64 year olds accumulate 150 to 300 minutes of moderate intensity physical activity or 75 to 150 minutes of vigorous intensity physical activity, or an equivalent combination of both moderate and vigorous activities, each week.)

If a Community Gym was built in Arno Bay, how would you use it?
- Group classes
- Individual use
- Personal training sessions
- Injury rehabilitation
- Sport specific training
- With health professional (eg exercise physiologist)
- Other (comment) _____

How often would you use it?
- Daily
- Weekly
- Monthly
- Occasionally
- Never

What are you interested in using the gym for
- Low impact exercise
- High impact exercise
- Weights
- Cardio
- Pilates
- Yoga
- Other (comment) _____

Would you prefer to pay a
- Yearly membership
- Monthly membership
- Fee per session of casual use
- Other/comment

Are you or are you interested in becoming a PT? YES NO

Would you require child care in order to use the gym? YES NO

Any other comments?
